Don't just take our word for it.....

Willow Valley has a great of choice of courses. I can take clients on the 9 hole course when short of time, the shorter 18 hole Pine Valley course if they aren't strong golfers, or really impress by taking the group around the Championship course. Seems to be something to suit every occasion."

"As a new start up business I bought this package to entertain my new and potential customers. I can't recommend it highly enough, it paid for itself in the first 2 visits and continues to bring in new business. The buggies are a great addition, sitting next to a client for 18 holes is a great way to get to know them"
